

Get ready for CELPIP with our online classes

Come join free webinars aimed to help you learn about the CELPIP Test and with component-specific skills and strategies.

We invite you to learn more about the CELPIP Tests for Permanent Residency and Citizenship with a collection of online classes. The webinars provide an in-depth knowledge of the test, including a focus on specific components. Learn skills, strategies, and tips to help you reach your goal score! Ask questions, get answers, and receive component-specific exercises during these live sessions! Attendees will also receive free study materials valued at over \$25 CAD.
