

Get ready for CELPIP with our online classes

Join free webinars about the CELPIP Test with component-specific skills and strategies.

Learn more about the CELPIP Tests for Permanent Residency and Citizenship with a collection of online classes. The webinars provide in-depth information on the test, including a focus on specific components. Learn skills, strategies, and tips to help you reach your goal score! Ask questions, get answers, and receive component-specific exercises during these live sessions! Attendees will also receive free study materials valued at over \$25 CAD.
